

GIPS Scoring Processes used at IC 2017 by Component and Division:

Global Issues Problem Solving Team Adult Division

Each booklet received an evaluation by a team of evaluators. Awards were determined by total rank/points.

Global Issues Problem Solving Team Junior Division

Each booklet received two first round evaluations to determine which teams would advance to the Paired Comparison Analysis (PCA). First round scores include points, rank, and opinion of quality from the evaluators. The PCA round was determined by:

- total rank of 2 or 3, OR
- at least one score of 128 or higher and one rank of 1 or 2, OR
- at least one score of 123 or higher with a rank of 1 or 2 and a 20 point discrepancy

The top 5 booklets in PCA advanced to Final Round where a team of four evaluators performed an evaluation collaboratively to determine placement. Ranks 6-10 were determined and awarded through PCA.

Global Issues Problem Solving Team Middle Division

Each booklet received two first round evaluations to determine which teams would advance to the Paired Comparison Analysis (PCA). First round scores include points, rank, and opinion of quality from the evaluators. The PCA round was determined by:

- total rank of 2 or 3, OR
- at least one score of 135 or higher and a rank of 1, OR
- a total rank of 4 with at least a 25 point discrepancy

The top 5 booklets in PCA advanced to Final Round where a team of four evaluators performed an evaluation collaboratively to determine placement. Ranks 6-10 were determined and awarded through PCA.

Global Issues Problem Solving Team Senior Division

Each booklet received two first round evaluations to determine which teams would advance to the Paired Comparison Analysis (PCA). First round scores include points, rank, and opinion of quality from the evaluators. The PCA round was determined by:

- total rank of 2, 3 or 4, OR
- at least one score of 150 or higher, OR
- at least one rank of 1 and a 20 point discrepancy

The top 5 booklets in PCA advanced to Final Round where a team of four evaluators performed an evaluation collaboratively to determine placement. Ranks 6-10 were determined and awarded through PCA.

Global Issues Problem Solving Individual Junior Division

Each booklet received two first round evaluations to determine which individuals would advance to the Paired Comparison Analysis (PCA). Booklets with a total rank of 2-4 or a discrepancy of 20 points or more with at least one rank of 1 in the first round evaluations advanced to PCA. The top 5 booklets in PCA were awarded 1st-5th place.

Global Issues Problem Solving Individual Middle Division

Each booklet received two initial evaluations to determine which individuals would advance to the Paired Comparison Analysis (PCA). Booklets with a total rank of 2-4 in the first round advanced to PCA. The top 5 booklets in PCA were awarded 1st-5th place.

Global Issues Problem Solving Individual Senior Division

Each booklet received two initial evaluations to determine which individuals would advance to the Paired Comparison Analysis (PCA). Booklets with a total rank of 2-5 in the first round evaluations and/or a minimum score of 136 by at least one evaluator advanced to PCA. The top 5 booklets in PCA were awarded 1st-5th place.

MAGIC Adult Division

Evaluation was performed by team of three evaluators with determination of places by total rank/points.

MAGIC Junior Division

Each booklet received two first round evaluations to determine which teams would advance to the Paired Comparison Analysis (PCA). Booklets with a total rank of 2 or 3, or a minimum score of 126 from at least one evaluator advanced to PCA. The top 3 booklets in PCA were awarded 1st- 3rd place.

MAGIC Middle Division

Each booklet received two first round evaluations to determine which teams would advance to the Paired Comparison Analysis (PCA). Booklets with a total rank of 2 - 4 or booklets with at least one rank of 1 advanced to PCA. The top 3 booklets in PCA were awarded 1st- 3rd place.

MAGIC Senior Division

Each booklet received two first round evaluations to determine which teams would advance to the Paired Comparison Analysis (PCA). Booklets with a total rank of 8 advanced to PCA. The top 3 booklets in PCA were awarded 1st- 3rd place.
