#PROBLEMSOLVED

After a long year of hard work, it's finally time for you, our GIPS teams and individuals, to use your best problem solving skills to attack the Future Scene on the topic of the **BIOSECURITY!**

GIPS and Scenario Team Writing competitions will take place on Friday morning as scheduled. It is important that you arrive **15 minutes early** to your assigned room. The competition clock will not begin until your monitor gives you your packet and records the starting time. If there are unforeseen delays, take a deep breath, relax, and wait until the problem is corrected.

Remember to bring dictionaries, thesauri, pens, pencils, unopened sticky notes and non-programmable calculators, as allowed for your competition.

Room assignments are in your on-site packets. General locations are as follows:

Junior/Middle GIPS Teams:

Ballrooms 2110, 2120, & 2130

Teams! You will prepare for the Presentation of Action Plan from 11:30AM to 2:45PM. Remember to review the guidelines and your room assignment for these presentations, which are found in your team problem solving packet.

Presentations will be from 3:00PM to 5:00PM. Remember to arrive at your assigned room **15 minutes early** with your required forms.

We wish all FPSers the best of luck in today's competition, and we encourage you to enjoy the experience!

CMPS INTERVIEW TIPS

Here are some tips from a former CmPS evaluator to help you perform at your best!

1. Show your passion about your project to the evaluators.
2. Share the spotlight—include the whole team in the interview process.
3. Share any of your accomplishments since the Affiliate Bowl.
4. Think about this question: How many lives have been changed? And more importantly, *how were the lives changed?*

LOST AND FOUND

Lost items will generally be held in the building in which they were lost. If you are unsure, feel free to stop by PSC in the lobby of the Student Union.
